

LET'S TALK ABOUT ULTRASOUND

Visit Our Booth at

IEEE IUS 2026

IEEE International Ultrasonics Symposium

October 4 – 8, 2026
Raleigh, USA

<https://ieee-ius.org/2026>

Hydrophones

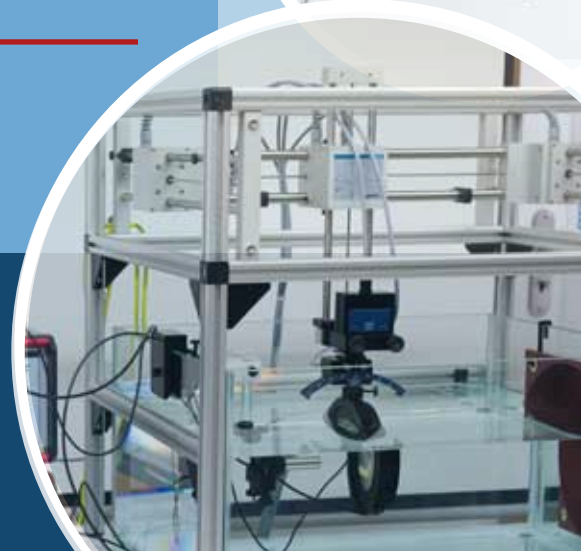

Take a closer look at our different hydrophone solutions for ultrasound measurements.

Measurement Services

Discuss your requirements with us and learn about our measurement services, laboratory expertise, and capabilities in the field of ultrasound.

Measurement Setup

Discover our ultrasound field measurement setup and learn how we perform measurements and characterize ultrasound fields in our laboratory.

**BRING US YOUR
ULTRASOUND CHALLENGE.**

Connect with
us at our stand
and experience
the future of
ultrasonic
measurement.
